Dear Sponsor,

BATTER UP!!! Yes, after a year of Covid-19, it's finally time that youth sports are able to come back to life. As a member of the board of the Pajaro Valley Girls Softball League, I would like to take a moment to ask you to support getting our girls back on the field. I know some of you have hit hard times, or have lost a family member, or a close friend.

Anything you can contribute would be appreciated. This helps cover those players that may be in worse circumstances than some of us.

As our season opens up for **girls ages from 5 to 18** remember, they are the players of our community. In the past we have done it with the support of our community. We are looking for sponsors to help keep your girls playing softball in our area. registration fees cover only a small portion of our expenses, so we are seeking financial help elsewhere. That is where you as a sponsor/community mentor can help.

**We have four levels of SPONSORSHIP currently.....Please remember we are a NON-PROFIT organization, good for a tax deduction (see tax ID number above).**

**GOLD Sponsor \$275 (if you would like sweatshirts for the team also cost is another \$300.00 added on-total \$575.00)**

- Name added to the back of a Team's shirt
- Name on website & link your website (if you have one)
- Announced at opening & closing ceremonies
- Name posted at the Snack bar on a community league banner & a thank you award given

**SILVER Sponsor \$175**

- Name on website
- Announced at opening & closing ceremonies
- Name posted at the Snack bar on a community league banner & a thank you award given  
(option to split cost of "GOLD" level with another sponsor. Let us know if you want this option)

**BRONZE Sponsor \$100**

- Announced at opening & closing ceremonies
- Name posted at the Snack bar on a community league banner

**Donation \$50 - or any amount**

If none of the above three options work for you, please consider a donation to help out.

We know that times are hard right now for everyone, but we also know that the investment made in organized sports may keep some of our kids off the streets.

The board would like to thank you for taking this time, and sincerely hope you will be able to assist us with your support. Keep your family safe and healthy thru this crazy time. Please remit to above address. thank you again. LET'S PLAY BALL!!!!

Sincerely, Board Members
